POPULATION OF COUNTIES AND CENSUS DIVISIONS

Final population counts of the 1961 Census are presented in this report for the 238 counties (including territorial districts) and census divisions in those provinces where there are no counties. Comparative totals are given for the Censuses of 1956 and 1951.

Details of the population distribution within each county or census division by municipalities, townships, cities, towns, villages, unorganized areas, etc., will be issued at a later date as part of the regular volume series of final reports of the 1961 Census. The purpose of this advance report is to make available summary totals by counties and census divisions at the earliest possible date.

POPULATION DES COMTÉS ET DES DIVISIONS DE RECENSEMENT

Le présent rapport contient les chiffres définitifs de la population, d'après le recensement de 1961, des 238 comtés (y compris les districts territoriaux) et divisions de recensement des provinces où il n'y a pas de comtés. Il contient aussi les chiffres comparatifs des recensements de 1956 et de 1951.

La répartition détaillée de la population dans chaque comté ou division de recensement par municipalité, township, cité, ville, village, région sans gouvernement local, etc., paraîtra plus tard dans la série régulière de volumes définitifs sur le recensement de 1961. Le présent rapport anticipé a pour but de faire connaître les chiffres récapitulatifs par comté et par division de recensement le plus tôt possible.
